## Agenda

**9:30am Welcome**

**Dr Sarah Hill**, *Chief Executive Officer*, Western Parkland City Authority

**9:35am Acknowledgement of Country**

**9:45am Introduction**

**The Hon. Stuart Ayres MP**, Minister for Jobs, Investment, Tourism and Western Sydney  
**Clr George Brticevic**, *Chair*, Western Parkland Councils

**10:15am Investment Opportunities in the Western Parkland City and Invitation to Partner**

The Western Parkland City Authority is leading one of Australia's most ambitious city-building projects of the last century. Hear about the WPCA's role in bringing this vision to life, our current engagement with industry and how you can partner with us on the journey.

**Jennifer Westacott AO**, *Chair*, Western Parkland City Authority

**10:45am Break – Log in to Next Session**

**11:00am New Education and Training Model (NETM) – Pilot Introduction and Partner Opportunities**

The Western Parkland City Authority is piloting the New Education and Training Model (NETM). Designed by and for industry, this pilot, funded by the NSW Government, will train thousands of people using 'micro-credentials' to help bridge the skills gap in areas like advanced manufacturing. Join this session to find out more and to register your interest to partner with the Western Parkland City Authority to develop these micro-credentials.

**Jennifer Westacott AO**, *Chair*, Western Parkland City Authority

**Facilitator: Peter Mackey**, *Executive Director*, NETM, Western Parkland City Authority

**Dr Aniss Chami**, *Chief Executive Officer*, Vitex Pharmaceuticals

**Mark Goodsell**, AI Group

**12:00pm Lunch Break**

**12:30pm Agribusiness, Freight and Logistics – Launch of Research and Request for Information**

As the 24/7 Western Sydney International Airport takes shape, the Western Parkland City Authority will update attendees on innovative new research that demonstrates how freight and logistics, export and agribusiness operators can maximise the benefits from an interconnected airside and landside precinct. The WPCA will also launch a Request for Information process to help identify future opportunities.

**Minister**

**Facilitator: Natalie Camilleri**, *Executive Director, Multi-Utilities, Environment and Circular Economy*, Western Parkland City Authority

**Presentations:**

**Alison Webster**, *WSI Cargo Precinct*, WSA Co

**James Fisher**, *Director, Agribusiness*, Western Parkland City Authority, ILH Airfreight Interface Concept

**Panellists:**

**Alison Webster**, WSA Co.

**James Fisher**, Western Parkland City Authority

**Susie Harwood (ED)**, *Freight Branch*, Transport for NSW

**1:25pm Break – Log in to Next Session**

**1:30pm Major Projects Update**

The Western Parkland City is receiving more than \$20 billion in infrastructure investment from the NSW and Commonwealth Governments. With a focus on the Aerotropolis, this session will provide updates from some of the largest infrastructure projects in the country, including the Western Sydney International Airport and the Sydney Metro – Western Sydney Airport and the Bradfield City Centre.

**Minister**

**Facilitator: Tim Poole**, *Chief City Co-ordinator*, Western Parkland City Authority

**Simon Hickey**, *Chief Executive Officer*, Western Sydney Airport

**Anne Skewes**, *Executive Director Masterplanning and Development*, Western Parkland City Authority

**Senior Executive**, Sydney Metro

**2:30pm Closing remarks**
